

Health Leadership Network  
Agenda  
October 15, 2009: Noon – 2:00  
Sutter Lakeside Hospital  
Healing House  
Vision: Partners creating a healthier Lake County

- I. Farm – Institution
  - a. The countywide food assessment survey has been released as a means to determine local food production, consumer demand, opportunities for new local markets, emergency food supply, and other items related to the development and sustainability of a local food system.
- II. CATCH (Coordinated Approach to Child Health)
  - a. Update from Tammy Alakszay regarding CATCH implementation
- III. Policy Workgroup
  - a. A productive HLN Policy Workgroup was convened October 7 to discuss the development of a Health Advisory Council. Nice Alterman will assist with facilitating these discussions.
- IV. Tribal Health Outreach grant
  - a. Pat Hubbard will provide and update on their Outreach grant to reduce substance use among pregnant women and to support the healthy development of young children
- V. Recreation Survey follow-up
  - a. Discussion regarding compiling a list of current recreation resources (activities, programs, instructors) and developing a strategy to begin offering these activities at school sites
- VI. Data Workgroup
  - a. Discussion regarding common data elements to be collected across agencies. Items currently proposed include: (a) 5<sup>th</sup> and 7<sup>th</sup> grade fitness tests to measure improvements and link to prevention efforts, (b) comparison of fitness tests at various schools, (c) survey of vending machines for improvements, (d) get wellness policy perspective from students, (e) collect School Food Service records to demonstrate increase purchasing of fresh produce, (f) WIC coupon redemption for fresh produce and farm market vouchers, (g) possible CHIS and KIDSdata
- VII. Federal ARRA grant
  - a. Discussion regarding application for the federal Communities Putting Prevention to Work grant in the obesity prevention category; implications for HLN partners and population health improvement.

Executive Committee: 2:00 – 3:00 immediately following the HLN regular meeting
