

Health Leadership Network
AGENDA
December 16, 2010 ~ Noon – 1:30
Public Health Conference Room
HAPPY HOLIDAYS!

- I. This meeting will focus on a summary of the California Endowment Obesity Prevention grant that is drawing to its conclusion. The summary will focus on how the grant goals have been met. Highlights will include:
 - a. Farm – School, Farmers Markets, and Community Gardens
 - b. CATCH implementation
 - c. Menu of nutrition and fitness options to be included within the development of Lower Lake School Wellness Center
 - d. Development of common data elements
 - e. Demo of the lakecountygrown website
 - f. ENACT tool
 - g. Local Food Roundtable and Food Guide
 - h. CDFA grant to augment and expand TCE efforts to develop local food system.
 - i. Recent grant application

- II. FYI California Endowment scope of work objectives
 - a. Recreation Objectives include:
 - i. Identify and prioritize family recreation and physical activities to be made available in 3 school districts during non-school hours. We have identified yoga, martial arts, boxing, aerobics
 - ii. In collaboration with County Parks and Rec. identify instructors to provide a minimum of 2 recreational/fitness activities or programs in each of the 3 school districts
 - iii. Work out joint use agreements with 3 school districts to implement recreation on site
 - iv. HLN partners will expand the fitness activities offered within their represented agencies
 - v. Inventory the recreation/fitness activities available within the HLN organizations and community, and market these to the community to promote increased utilization
 - b. Nutrition Objectives:
 - i. CATCH Coordinator will work within 3 school districts to integrate and enhance physical ed/fitness, food service and nutrition efforts
 - ii. 30 teachers, school food service directors and administrators will receive CATCH training
 - iii. HLN partners will implement ENACT nutrition and fitness priorities within their own organizations as identified in the interagency MOU

- iv. HLN administrators will establish procedures for monitoring and sharing progress on implementation of CATCH priorities
- c. Common Data Element Objectives:
 - i. Convene a workgroup to identify key data elements that can be shared among them as a means to establish a centralized repository of health data and a systematic methodology for data collection
 - ii. HLN will collaborate with Public Health to implement the shared data collection system and make data available for advocacy and on-going policy development efforts

Vision:

Mission
